

Bodysilk Seamless Nursing Bra

NEWS.....BodySilk Bra Wins 'Everyday Excellent' Award from Pregnancy and Newborn Magazine

BodySilk Seamless Bravado Nursing Bra - Was £29.00 Now £26.10

We are so impressed with this new bra from Bravado and since the original Bravado nursing bra is one of our bestselling products, they had a lot to live up to.

This bra boasts a seamless silhouette, lovely shape and great support - and 1 secret ingredient - a removable foam cup that means you can have a thicker lining when you need it to hide nipples or nursing pads.

The buttery soft fabric moulds to the body, with no underwire or restrictive areas with support straps and one-handed nursing clips for easy breast-feeding.

Because of its amazing versatility, it comes in 4 sizes S-XL, which makes it ideal for any stage of pregnancy or nursing as it can gently change shape to match your body.

Features

•

Removable, molded foam cups for a lining when you want it (to hide nipples or breast pads), and the ability to take it out when you don't.

•

Seamless and buttery-soft fabric that is remarkably comfortable to wear, and virtually invisible under clothing.

•

A design that melts onto and molds to your body, supporting your unique shape in a uniquely perfect way.

•

No underwire and cups that drop fully away from the breast, as recommended by health care professionals.

•

Easy to use and discrete nursing clips, featuring one-handed access.

•

Simple sizing system that makes this bra perfect for any stage of pregnancy or nursing, to comfortably fit your changing shape each step of the way.

•

This sizing system also makes this bra ideal for baby shower gifts, new mom gifts, and gift registries; since you can easily guess her size (if you don't know her bra size, choose the size she'd wear in a top, and if she's in between; choose the larger size).
